V. Termination

A. Unless this Court grants an extension, this Final Judgment will expire on the fifth anniversary of the date it is entered by the Court.

B. In any enforcement proceeding in which the Court has found that Microsoft has engaged in a pattern of willful and systematic violations, the Plaintiffs may apply to the Court for a one-time extension of this Final Judgment of up to two years, together with such other relief as the Court may deem appropriate.

5 years? Be realistic, 10 years and if the terms of the agreement are in any way violated, the penalty is automatic, break up Microsoft. And while you're at it take a serious look at AOL/Time Warner and their business practices.
